

1. I have always had a desire to help others in life. As an attorney I have experienced good and bad judges in the judicial system. A judge should have a servant's heart and be courteous to the citizens who he or she presides over. I truly believe there is a change needed in Place 14. My family decided to place ourselves in the political environment and be subject to the public's opinion. Life is a journey. We are only on this earth a blink of the eye. I choose to do hard things and make a difference in someone's life.

2. Derik Pridmore, San Francisco, CA, \$5,000 (My Brother); Randall Pridmore, Dora, AL, \$2000 (My Father); Iron Workers Local Union No. 92, Birmingham, \$2,000; Farris Riley and Pitt, Birmingham, \$1,000; HAWK PAC, Homewood (Joe Fuller, chair), \$750.

3. I believe the best judges are the most courteous judges. You can make hard decisions with dignity and respect to all of those involved in a criminal case. In every courtroom there needs to be a positive working environment to help foster a resolution for pending cases. This professional environment begins with the judge. If I am elected I plan on being that judge.

4. Treat People with dignity and respect. Listen to all of the facts before rendering an impartial decision. Create a positive work environment in the courtroom where the District Attorney and Criminal Defense Attorney can resolve cases while ensuring justice is served.

5. I find motivation and inspiration from my God, my family and my friends. I cannot do it alone.

6. I have always been a solo practitioner. All of the cases I have been involved in have only included me as the attorney of record.

7. I believe opposing counsel would say I am respectful and kind. I do not believe in conflict. Nothing can be resolved without open communication and honesty.

8. I am married to the love of my life, Kelly Glover. We were married February 13, 1993. God has blessed me with two beautiful and healthy children. My son is 20 and works at UPS. My daughter is 16 and a junior in high school. I live next door to my 93 year old grandfather and my mother and father. I have two brothers whom I love very much.

9. I am the caretaker at Goodhope Baptist Church Cemetery. I have been the caretaker for 8 years. My grandfather used to do it but is too old now. I am involved in my community by volunteering time and money in local events at Corner High School. I drive a school bus for Jefferson County Board of Education and transport children to athletic events. I have done this for three years. There is an extreme shortage in bus drivers in the county and I enjoy watching high school sports. I love to run. I have participated in local 5K events for years.

10. I am a member of High Point Community Church. However, my dear friend Wayne Shelton was called by God to plant a church. I am presently attending Redeemer Presbyterian Church in Gardendale, AL, under his spiritual leadership, assisting in the planting of this church. I am being led to join Redeemer. I was one of the founding members of High Point Community Church ten years ago. High

Point is a healthy body of Christ and has over 300 members. God is calling me to be a pillar at Redeemer to help create a strong foundation.
